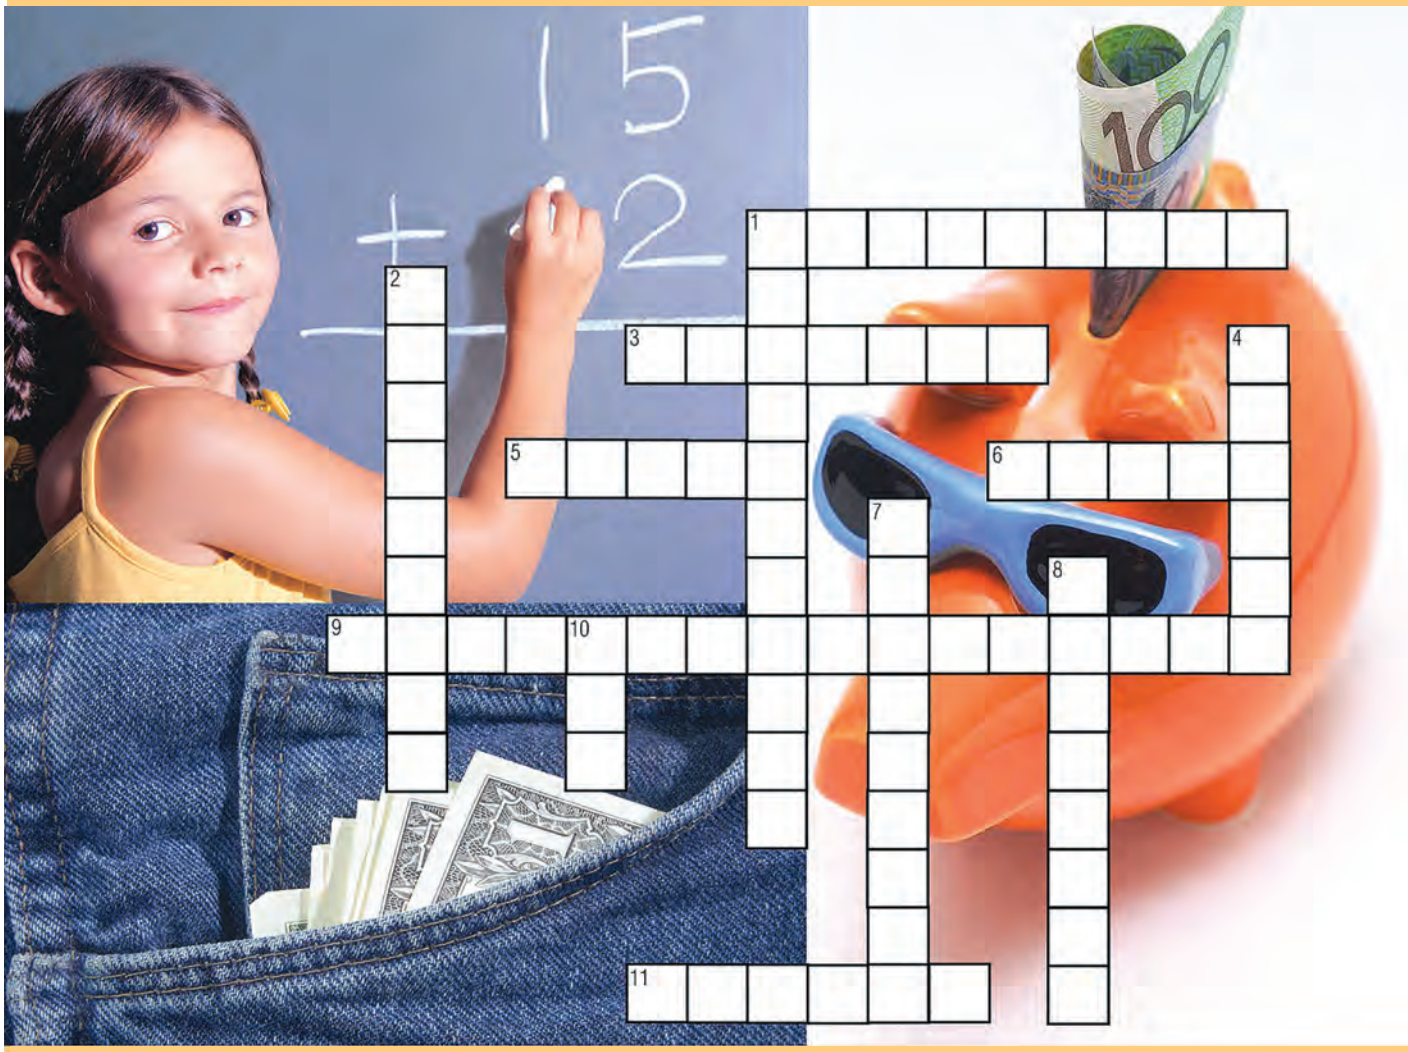
Savvy Saving



Learning to save at an early age is an important part of growing up. It's the best way to keep track of your money when you want something special. Setting up a share savings account at your credit union is easy and convenient.

Do this crossword puzzle and learn about the value of saving your money.

Across:

1. You'll earn this for having a credit union savings account.
3. To put money into your credit union savings account.
5. In general, what you save for (money-saving "aims").
6. The opposite of save.
9. Saving for goals should be the first thing you do, not the last, otherwise known as _____ _____ _____. (Three words).
11. This person is behind the counter at the credit union.

Down:

1. Leave money at the credit union by filling this out.
2. You might have to break this "savings account" to get your money.
4. A plan for saving and spending is called a _____.
7. The money that your parents may give you each week.
8. To take money out of your credit union savings account.
10. A _____ dollar bill has George Washington on it.

Answers:

Across	Down
1. dividends	1. deposit slip
3. deposit	2. piggy bank
5. goals	4. budget
6. spend	7. allowance
9. pay yourself first	8. withdraw
11. teller	10. one
