The authority is to remain in full force and effective until I provide Hughes Federal Credit Union with a written authorization requesting a change or termination of this pre-authorized payment. This authorization must be received by Hughes Federal Credit Union no later than three (3) business days prior to the payment due date for the request to be in effect for the current month, otherwise the request will be effective the following month.

I understand and agree that in order for Hughes Federal Credit Union to make any payments requested in this Authorization form, I must have the agreed payment amount available in my account, or my account may be assessed a fee.

I further understand and agree that Hughes Federal Credit Union shall not be responsible for any act or failure to act on their part, except in the case of gross negligence or willful misconduct.
