Hughes Federal Credit Union Members Have a New Way to Pay As the Credit Union adds Apple Pay™ to its mobile payment services

Tucson AZ (June 16, 2015) – Hughes Federal Credit Union announced today that its members now have access to Apple Pay™ on their debit and credit cards, including the exclusive University of Arizona® Visa® Debit Cards and Health Savings Account (HSA) cards to pay for prescriptions and other qualified medical expenses. With Apple Pay, members can use their Hughes cards to pay with a single touch at hundreds of thousands of stores and within apps.

“Member adoption of our existing mobile banking options indicates a growing population of tech savvy members who value the convenience and security of our mobile services,” said Robert J. Swick, President/General Manager. “With Mobile Banking, Mobile Deposit, Mobile Bill Pay and now Apple Pay, we’re putting more powerful tools into the hands of our members so they can truly bank anytime and anyplace.” said Robert J. Swick, President/General Manager.

This new service transforms mobile payments with an easy, secure and private way to pay. Members can use Apple Pay with iPhone 6®, iPhone 6 plus, Apple Watch™, iPad Air™ 2 and iPad mini™ 3 or any compatible Apple device.

“With Apple Pay, you don’t share your physical card with retailers, so transactions are more private and better protected,” said Swick. “Apple Pay users are also covered with all of the benefits offered by their debit and credit cards, such as Visa’s Zero Liability protection and Visa Merchant Offers.”
