**Hughes Federal Credit Union
Earns 2015 Datatrac Great Rate Awards**

Tucson AZ – July 20, 2015 – Hughes Federal Credit Union was recognized with the 2015 Datatrac Great Rate Awards® for several of the Credit Union’s deposit and loan products, announced John Sansbury, Board Chairman. Datatrac is a financial research firm which maintains America’s largest interest rate database, comparing rates for more than 100,000 banking locations nationwide.

In an analysis conducted by Datatrac comparing 234 banking locations in Tucson, Arizona, Datatrac certified that Hughes Federal Credit Union offered 22 consumer banking products that outperformed the market average by up to 325%.

“Our members are our number one priority and we strive to provide award-winning service and top-notch products,” said Sansbury. “Having a third-party like Datatrac, evaluate and certify that many of our rates are outperforming the marketplace, proves that our locally-owned financial institution can provide a winning financial game plan.”

Current results of this research and a list of the award-winning products can be found by visiting HughesFCU.org. A savings and loan analysis is featured on the homepage. Click through on a product of interest to see how Hughes Federal Credit Union compares to the market average.

“Datatrac Great Rate Awards certify financial institutions products which consistently outperform the market. Datatrac is pleased to recognize Hughes Federal Credit Union for their ability to deliver products that deliver better value to their members,” said Ken Wanek, Datatrac Founder and CEO.
