2025 Board of Directors' Report

“We are committed to advancing while deepening our positive impact within the communities we serve.”

Fabian Cordova, Board Chairman

Dear Valued Members,

On behalf of the Board of Directors, I want to extend our deepest gratitude to you. Your trust in Hughes Federal Credit Union is both an honor and a responsibility we take great pride in. We exist because of you, and every decision we make is grounded in serving your best interests.

We are equally proud of our dedicated employees. Their unwavering care and genuine concern for each member—regardless of the scope or complexity of need—defines who we are as an organization. Every interaction reflects our commitment to service excellence and to strengthening the financial well-being of those we serve.

Continued Growth and Financial Strength

Hughes continues to maintain a strong financial position. In an environment shaped by inflation and economic uncertainty, our daily efforts remain focused on mitigating these impacts for our members. Through disciplined financial management and thoughtful strategy, we work to ensure stability, security, and opportunity for all.

In 2025, we successfully completed a system upgrade, one of the most significant operational initiatives in Hughes' history. As technology evolves, we recognize the need to enhance our systems to better serve you. This substantial investment of time and resources stands as a testament to our staff's expertise in designing, implementing, and executing complex projects with our members' needs at the forefront. The result is a stronger technological foundation that positions us well for the future.

This year marked a period of meaningful transformation for our credit union – both in how we serve our members and in the leadership that has guided us for decades. We also celebrated a very special milestone: the retirement of our Board Chair, Juan Gonzalez, after 36 years of distinguished service to the Board and the Supervisory Committee. Juan exemplifies the unwavering commitment that defines our volunteer leadership. His decades of guidance and stewardship have left a lasting impact on Hughes, and we are deeply grateful for his service.

2025 Annual Treasurer's Report

“If you have a financial need, just ask; chances are Hughes will be able to provide it.”

Andrew Britton, Treasurer and President/CEO

Hughes Federal Credit Union was chartered on November 21, 1951, and its first annual meeting was held on January 14, 1952. Seventy-four years later, Hughes remains a safe and sound financial institution for meeting your savings, investing, and lending needs.

Hughes continued to face the same challenges as most financial institutions in 2025. Elevated interest rates, rising delinquencies and charge-offs due to consumer financial hardships associated with inflation.

Even through the various challenges, Hughes ended the year by growing assets by \$256 million, or 11%, growing deposits by \$273 million, or 13%, and growing loans by \$100 million, or 5%.

In 2025, Hughes underwent a system upgrade. The previous upgrade took place in 2002. This upgrade will allow Hughes to leverage existing and future technologies and to offer additional products and services.

We encourage all our members to make the most of their membership. Membership at Hughes means ownership in a local, BBB A+ accredited full-service financial institution, solely to benefit its member-owners.

In 2025, Hughes generated \$212,493,593 in gross income. After paying operating expenses and distributing over \$61 million in member dividends, Hughes increased its net capital by \$2,385,097.

Also, Hughes granted 28,988 loans to members totaling \$779,641,923. Total outstanding loans at year-end were \$2,119,066,080. Since granting its first loan on February 8, 1952, your Credit Union has granted 623,581 loans totaling over \$9.6 billion dollars.

Over the last five years, your Credit Union has grown by over 58% in assets, 57% in deposits, 64% in member loans, and 59% in capital. During this same period, Hughes has paid out over \$185 million in dividends to its members.

This high level of growth ensures Hughes remains one of Arizona's strongest and safest financial institutions. Since 1952, Hughes has remained deeply committed to improving its members' financial well-being while maintaining strong local roots in Southern Arizona.

Built on a foundation of trust, service and community impact, Hughes offers a full range of financial products and services designed to meet the evolving needs of its diverse membership. Hughes has earned recognition for its commitment to member value and service, including being named among the best credit unions in the state by Forbes. Driven by a people-first philosophy, Hughes continues to invest in innovative solutions, financial education, and community partnerships, helping members and communities go further.

As economic challenges continue to impact our members, Hughes continues to offer competitive savings products, such as money market and term share IRA accounts. These accounts, fully insured by the National Credit Union Administration (NCUA) for up to \$250,000, offer members safe and secure solutions to grow their savings.

Our popular Checking PLUS account, which debuted in 2018 is exclusive for Hughes members, and combines all the features of a traditional checking: Direct Deposit, a VISA Debit/ATM Card, online and mobile banking, Bill Pay, remote mobile deposit, Zelle, account alerts, eStatement, and automatic transfers WITH discounts on many products and services through Benefits Plus that you won't find anywhere else. Checking PLUS also includes popular features such as cell phone repair coverage, identity theft restoration, a lowest price guarantee, cashback on travel, movie and entertainment discounts, discounted gift cards, a group dental discount plan, prescription discounts, vision care discounts and much more.

The success of Hughes depends on our members' participation. If you are not participating in our services, we encourage you to do so. If you are, we thank you and ask you to refer family, friends, co-workers, and neighbors. Hughes membership is open to anyone who lives, works, worships, or attends school in Tucson. Visit HughesFCU.org or call for more information, 520-794-8341.

At Hughes Federal Credit Union, our cooperative form of corporate governance ensures that all earnings are returned to our members through affordable financial services. This is what differentiates your Credit Union from other financial institutions.

Your Board of Directors is comprised of volunteer members elected by our membership. Our volunteer Board of Directors is tasked with setting the credit union's strategic direction. This includes ensuring the offering of financial products and services that make a positive difference in our members' financial lives while maintaining the long-term financial strength and stability of Hughes.

Hughes continues to grow, and throughout the past seventy-four years, much has changed. What has stayed the same is that your Credit Union remains a member-owned and operated financial cooperative, existing solely for the benefit of our members. Thank you to our volunteer Board of Directors and Supervisory Committee members for their dedication, direction, and support. Thank you to the Credit Union staff for their hard work and dedication, ensuring our members' financial needs are met daily. As always, and most importantly, we want to thank you, our members, for your continued patronage and support of our Credit Union.
